## Project Information

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | Project name, number, and location. | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 2 | General Contractor and Subcontractor details | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 3 | Date plan created/revised | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 4 | Plan version/revision tracking | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

## Roles & Responsibilities

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | Identify key personnel: QA/QC Manager Site Superintendent Foremen Inspectors | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 2 | Role summary (who does what) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 3 | Communication protocol (how issues and updates are reported) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

## Reference Documents

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | List applicable codes and standards (e.g. ASTM, AWS, NEC) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 2 | Contractual documents (specs, drawings, addenda) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 3 | Related SOPs, Inspection & Test Plans (ITPs) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 4 | Links or uploads of referenced files | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

## Submittals/Material Control

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | Submittal requirements (what materials require review/approval) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 2 | Material receiving inspection process | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 3 | Certificates of Analysis or Compliance (COA, COC) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 4 | Tracking for each submittal & approval | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

## Inspection & Test Plan (ITP)

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | List out each major scope element (e.g., Civil, Electrical, Mechanical, etc.) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 2 | For each scope: | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 3 | Required inspections/tests (by phase/trade) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 4 | Acceptance criteria for each inspection (refer to specs/drawings) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 5 | Verification method (photos, checklists, reports) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 6 | Documents to attach (inspection forms, test results, etc.) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 7 | Due Date: | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

## Nonconformance and Corrective Actions

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | How nonconformances (NCRs) are identified and tracked in Procore | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 2 | Timeframe for remediation (e.g. "3 business days to submit/fix before NCR is issued") | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 3 | Documentation and closure process | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

## Documentation & Records

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | List all QC records to be maintained (inspection reports, test certificates, NCRs) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 2 | Storage location in Procore (folders, links) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 3 | Turnover book requirements (final documentation for project closeout) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

## Training & Communication

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | Required training topics for foremen, QC staff, and relevant personnel | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 2 | Record of training completion (sign-in sheets, certificates) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 3 | Communication flow for updates, changes, and issue escalation | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

## Continuous Improvement

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | Lessons learned documentation process | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 2 | Feedback and improvement mechanism (how suggestions/changes are gathered and assessed) | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 3 | Plan review/update schedule | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

## Attachments

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | Upload all referenced documents, forms, checklists, ITPs, SOPs, COAs, NCR logs, training records, etc. | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |

## Educational Best Practices:

| # | Activity Title | Status | References | Due Date | Assignees and Verification Method | Records | Notes |
|---|---|---|---|---|---|---|---|
| 1 | Be specific: Acceptance criteria must be measurable. | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 2 | Reference documents: Always link specs, drawings, standards. | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 3 | Verification is key: Use checklists, photos, test reports. | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 4 | Nonconformance process: Document issues and track remediation in Procore. | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
| 5 | Final turnover: All records should be stored and readily retrievable for closeout. | Open | | | | | |
| | **Acceptance Criteria** | | | | | | |
